to them, it makes me feel good & very encouraging -

more than pleasing was that Mr. Hayashi ^{what was} has granted to bestow upon me the secret of Shimpetō Ken - Kobiyū & the Leiji-Ho - the utmost secret in the Energy Science. Now one can imagine my happiness to think that I had the honor & respect to be trusted with this gift - a gift of a life time & I promised within me to do my utmost in regard to this beautiful & wonderful teaching that I just received - I shall promise to do what is right thru sincereness & sincerity and

shall regard and respect the teaching and its teacher with utmost reverence and respect -
